

CFDD Phoenix Chapter Presents: 

"Trends in Payment Processing"

Michael Williams, of American Check Management, is *always* committed to being on the cutting edge of the "guarantee industry", which enhances services.

Michael has vital information about avoiding check and credit card fraud. He is especially excited about discussing the use of technology to improve cash flow.

Michael educates Treasury and Credit professionals nationwide.

Now he has agreed to visit Phoenix to speak to our Chapter on CFDD Day.
