## **Anti Trust and You**

What you DON'T know can hurt your company.....

**Antitrust laws are sometimes broken without the offender realizing, unfortunately there are consequences that are COSTLY. Every Company, big and small, must be mindful of the risk associated with not knowing how the laws apply to Sales, Credit, the overall well-being of your Company, and most importantly how it involves our Customer!**

**Are you aware of what you can and can not say or do as a Credit Professional? Is your Sales Team aware of what they can or can not say or do as a Sales Professional? Does this cover terms, policies and prices? Is it only the company that will be fined or is it on the professional as well?**
