9/12/2017

ART OF ATTRACTING, RETAINING, & MAINTAINING MILLENNIAL PROFESSIONALS

Please join us for a luncheon presentation covering these topics:

- Did you know that millennials make up 75 percent of the American workforce by 2025?
- Come learn how to pique this new generations' interest in our field.
- You will be able to walk away with the understanding of how a Millennial thinks; what a Millennial is looking for in their job, in their career.
- Specific takeaways- what can you do right now to implement this knowledge into your own companies?
